++ Valid for broadcast between 1800 and 0600

Headline:
Still a little rain early Tuesday, otherwise drier, becoming brighter.

This Evening and Tonight:
Persistent rain easing this evening although heavier for a time over Shetland. Low cloud and mist lingering with still a little drizzle, beginning to clear later in the night. A mild night with mostly light winds. Minimum temperature 6 deg C (43 deg F).

Tuesday:
A rather cloudy start with still some patchy mist and drizzle, slowly lifting. Then mostly dry during the day and becoming brighter with some sunshine breaking through. Maximum temperature 13 deg C (55 deg F).

Outlook for Wednesday to Friday:
Largely dry and bright with a fair amount of sunshine and light winds. The risk of some haar is never too far away especially for the east coasts of Shetland.
